

59 Minute Pale Ale - C. Jones

5 # Muntons dry extra light malt extract

1 oz Amarillo hop pellets (8.4 AAU/oz)

1 oz Simcoe pellets (13.4 AAU/oz)

1 oz Columbus hop pellets (15.6 AAU/oz)

Mixed all the hops in a bowl, added around 2 tablespoons of mixed hops at 50, 30, 15 and 0 minutes of rolling boil time.

White Labs East Coast ale yeast, second run

Brewed in August 2011, this is a variation on the 60 Minute IPA recipe in the "Extreme Brewing" book – turned a big IPA into a low alcohol, hop-forward session ale, a lawnmower beer that scares the lawnmower!
